Error-Recording Form

Use this error recording sheet to take notes on your students' decoding skills. Good notes can really help your lead teacher to know how to support each student.

Provide word examples when discussing errors. For example, "Nina mistakenly sounds out the word *bake* as /b/, /ă/, k/, back."

1. Student does this well:

_____

_____

_____

_____

2. Student made this error:

_____

_____

_____

_____

3. Student confused this sound:

_____

_____

_____

_____

_____

_____

_____

_____
